10 newsletters a year

Our newsletters are full of stories from the past, ones you may remember and ones you may not. Many intriguing stories are researched and told by Corinne Eldred and Phil Leonard. Joyce Brewer will keep you up to date on upcoming events. The museum is going through a change and many new items are being uncovered. Stop in to see what is new! Visit our extensive library for research or to just reminisce.

In 2002 the price of a stamp was \$.37. A case of 11x17 paper averaged \$25. Now, advance 16 years. Stamps are \$.50 and a case of paper is \$80. We are striving to keep the museum displays current, our programs educational and our doors open! That being said, we have come to the conclusion we need to increase our membership dues. They have not increased in 16 years.

We greatly appreciate your support for the mission of the Hoosick Township Historical Society and the Louis Miller Museum.
