

2015
(January - December 2015)

Time to renew or become a member!

Your Society has had another successful year. Our membership has stayed high and we have concluded many community projects. We had the curtains dry cleaned, a safety railing and new door opening on our fire escape stairs, and we had the mildew on the north side of the building removed. We are having our sign updated after seven years of winters. We are looking into replacing our wireless fire detectors. Charles Filkins is very busy with his genealogy and has helped many people from all over the country through E-Mail and museum visits. Next year, we hope to have a short DVD about our museum ready for distribution. Another busy year is ahead. See us on face book.

**We appreciate you support of our mission. Become a supporter member.
